The Banana Wars began with injustices, corruption, lawless societies and labor abuse in Latin America. Banana workers began what was comparable to a civil rights movement in the tropical fruit trade. Warring tropical countries stemmed from maltreatment [clarification needed] and abusive working conditions gave rise to one of the earliest and most militant labor movements in early Latin America.

There is a continuing debate over sea level rise, especially how much will occur in the future. The most annoying part of the news media reporting on the issue is that they imply sea level rise is all the fault of humans.. This is why the acceleration of sea level rise is what is usually debated, because sea level has been rising naturally, for at least 100 years before humans could be blamed.
